Who we are

Society '54 is made up of staff members who have chosen to support the activities and programs of the UC Riverside Staff Assembly. Staff Assembly is only partially funded by the university and relies on fundraising efforts and donations to cover needed costs. Society '54 is one of the major ways that Staff Assembly is able to fund various activities.

How Do I Donate to Society '54?

You may make an on-going donation or a single donation. The easiest way is through payroll deduction. Download and print our payroll deduction form from staffassembly.ucr.edu and send it in. Whatever amount you designate will be automatically deducted from your monthly paycheck. You may stop the donation at any time. Send completed payroll deduction forms to: UC Riverside Foundation, 1227 Hinderaker Hall, MC122. You can also donate via cash or check.

Where does the money go?

All funds goes to support Staff Assembly's scholarship, assistance and general programs. Put simply, your support promotes the mission of UCR Staff Assembly to recognize, engage and develop our staff members across campus

What are the benefits of joining?

Upon reaching the donation level of \$54 in a given year, members will receive a participation certificate and a Society '54 pin. Throughout the year, members will receive additional benefits and membership perks.
