- Treasurer, Penni Ebina
  - Update on financial meeting. Submit a request for more funding to the Chancellor since we haven't in a while.

- Immediate Past President, Ross French
  - By-laws - got good feedback. Nothing previously recommended was shot down. Early Feb? Still time to review.

- Vice President, Dennis McIver:
  - Taking over some of what Frank had been working on. Met w/ Chancellor - develop a letter supporting staff to engage in things like Staff Assembly. Question of language and timing of this communication. More concrete list of current staff members - do have some permission (2x/year) to contact them. Felt that we've been communicating judiciously so far. Some uptick in staff signing up for training vs. HR sending it out. Bringing back Daily Digest - will need to keep talking about that. Some limitations to using Calendar.

- President, Crystal Petrini
  - Until we get 360 Reviews and Performance Mgmt. Can we add a "How do we positively impact campus culture?" question? Steering Committee meetings appear more aware of staff concerns. Spoke at search for UC President.

**Agenda Items**

- Campus Culture Task Force - Drew Hecht & Andrew Larratt-Smith (1 hr)
  - See also website on ucr.edu: Can find full report there. Can still provide feedback
  - Presentation etc to be finalized over next few weeks.
  - See Agenda and Expectations slide
  - Charge: Concrete recommendations
  - Four subcommittees: incl. Supervisors & Staff
  - Staff Engagement survey: Challenge: Concern over people not being able to speak up. Strengths:
  - Defining the future state: Collegial environment, constructive feedback
  - Recommendations for Sr. Leadership; Managers, supervisors, faculty; Individuals
    - Sr. Leadership: Focus on one value per year and develop speakers, resources, communication at all levels; Develop mechanisms to monitor abuse of power; ID why leaders fail to act when complaints come in
    - Discussion: HR to ID promotions being made quickly because of favoritism, High Turnover. Exit interviews - stressed for resources. Clery-Act style report on events across campus. Discussion about transparency vs confidentiality; need to provide general information about a department (not gossip about interactions b/wn individuals). Example: IT layoffs and how the lack of communication was handled, resulting in rumor and innuendo. Process should be made transparent - makes it more credible. Lack of follow-up breeds distrust; level of detail to be discussed.
• Train individuals vs train units. Should be a standard - expectations of Sr. Leaders. Some who might be embarrassed - purpose is not to be, but to be a better leader.

• Supervisors & Faculty: Foster ethical use of power
  - "Broad participation in leadership across campus" - needs more specificity.
  - Supervisors vs leaders on campus. Have to acknowledge you might not be where you want to be.
  - Faculty code of conduct: Differentiate btwn academic freedom and managerial freedom.
  - Changes to be made by faculty for faculty (senate). Chairs or Deans are put into roles they may not be equipped for (people skills vs research skills). Current campus culture is that the most technically adept become supervisors, but that's not what's needed.
  - Online trainings: Some need to be evaluated and updated.
  - Culture right now is one of fear and retaliation. Need accountability.

• Individuals: Exercise personal role in improving climate
  - What would help empower people to report misconduct?
  - Clearly define misconduct here. What's misconduct vs bad behavior/manners
  - Unclear on where to go.
  - Reframe behaviors as performance issues?
  - Ask "How will Sr. Leadership empower staff to speak up?" Shift the focus to what's really good? Be a model on a particular trait.

• UCSB has a group that focuses on Employee Engagement - UCR would benefit from a permanent committee like that. Appears initial pushback to this idea has diminished.

- Board photo. Wear your Staff Assembly shirts! (Ross) – postponed due to two missing Board members
- 1) Contact to UCSB to learn about their staff mentoring program, 2) Ideas from board on what they would like to see in a mentoring program – Charlie
  - Mentoring program for staff members. Looking for details. Waiting on a date - Charlie to follow-up
- STEM High School update – Crystal
- Strategic Planning update and input - Crystal
